

THE BEAUTY BEHIND INFUSION

Brodies Mail Order 2015

Prices valid from 14/01/15

William Brodie and James Hamilton had many years experience in selecting and blending coffee and teas to satisfy the requirements of customers in Scotland and beyond. This has continued in an unbroken tradition to the present day.

Our mission now, as it was then, is to supply our customers with quality coffees and teas, freshly roasted and skilfully blended in the traditional way.

We also supply an award winning range of retail products which includes coffee, tea, speciality cakes and our luxury handmade chocolates lovingly crafted from our small team of dedicated chocolatiers.

Single Source Coffees

Finest Kenya - mild

Slow grown at high altitude, bright flavoured with shades of blackcurrants and medium brown roasted to enhance the rich character.

Fair Trade Colombian * - medium

One of the first Fair Trade producers. Beautifully balanced coffee with a smooth nutty character, slight sweetness with hints of chocolate, which is brought out by the rich brown roast.

Swiss Water Decaffeinated - medium

Gently decaffeinated with water, this Fair Trade coffee blend is 100% chemical free.

Guatemalan - medium

High grown in the mountains of Guatemala. The perfect growing conditions produce a lively acidity, which is dark and chocolaty.

Old Mature Java * - strong

A quality Arabica coffee from Asia, aged to enhance its full bodied character. A perfect after-dinner coffee.

Mysore Rich - strong

Grown in the undulating tableland of the Deccan Plateau this full roasted coffee is low on acidity but high on flavour, with hints of nuts and spice.

House Blends

Scottish Morning - mild

Pure high grown Arabica coffee. Perfect for the morning cup.

Scottish After Dinner - strong

A quality Arabica coffee with a full-bodied character.

*** also available in coffee beans.**
